CHICAGO – I told **Phil Tadros** (my on-the-street Hollywood cameraman) that his first two “The Dark Knight” video segments were good but could be better.

I encouraged him to dig deeper. This time, we bring you what you’ve been asking for: set footage. As in his second segment, he again uses the access-a-friend’s-apartment route.

This video was shot around 1 a.m. on Friday, June 15 at Clarendon and Cuyler in Chicago. At the 1:29 video mark, [Gary Oldman](#) [5] (who plays Lt. James Gordon) can be seen in the black suit.
