✂ Man, I used to really dig this TV show, and until I opened an e-mail Friday morning from [LaShonda Matlock](#) [6] in Chicago, I hadn’t thought about it since I was a kid.

NBC is relaunching the classic competition series “American Gladiators” on prime-time TV. The network is currently auditioning contenders and gladiators in Chicago, Los Angeles and New York for its upcoming premiere season.

We are looking for weekend-warrior types who are big, bad and athletic. If you think you have the heart, skills and desire to compete, then we want to see you at the gladiator arena.

You must come dressed in workout attire and appropriate footwear to be considered.

You will be tested on your physical ability in areas such as strength, speed, balance and agility. We recommend bringing a workout towel and water with you to the audition.

Please bring a non-returnable photo of yourself along with a completed application. Open call lines will begin forming two hours before the start time.

Please do not line up prior to that. Time is limited and there is no guarantee everyone will be seen. Please arrive early. We’re holding open calls at these locations:
