

Known Issue With HollywoodChicago.com RSS Feed, Mailing List

Submitted by [HollywoodChicago.com](http://www.hollywoodchicago.com) [1] on January 10, 2008 - 11:03pm

We are aware that a flood of content is being sent to our RSS feeds and mailing list that shouldn't be (i.e. blog posts like these, images, events).

We are working to correct the issue to continue to send you only high-quality movie news, reviews and interviews. We apologize for the inconvenience and thank you for your patience and understanding.
