Here's a description of the new film, which is scheduled to open on June 6, 2008.

Oscar-nominated actor John C. Reilly ("Chicago," "Talladega Nights: The Ballad of Ricky Bobby") and Seann William Scott ("American Pie") lend their deft comedic touch to the story of two mid-level Chicago supermarket employees – Doug and Richard (a dubious new guy from Canada) – who compete ruthlessly for a coveted managerial post.

Doug and Richard couldn't be more different, but going head to head in a contest of wits and will reveals how they have more in common than they thought. The duo battle toward a hilarious final showdown that will leave you guessing until the very end. The film is the directorial debut of Steve Conrad (writer of "The Pursuit of Happyness").
