TICKETS: [wifchicago.org](http://wifchicago.org)

About Women in Film Chicago: Women in Film Chicago (WIFC) is a non-profit membership organization for all creative content professionals. With a focus on driving the advancement of women in this industry, WIFC provides a dynamic network to facilitate the exchange of ideas and opportunities and builds a solid educational platform to accelerate the professional development of its members.

The Chicago chapter of this dynamic and diverse organization is dedicated to promoting the professional and educational advancement of our members, men and women alike, while contributing to the overall success of Chicago as a provider of high-caliber emerging media, digital, commercial, television, independent and major film production.

About Chicago Screenwriters Network: Founded in 1995 Chicago Screenwriters Network (CSN) is an invaluable resource to Chicago area screenwriters, filmmakers, producers, directors, and actors. CSN provides assistance in the creation of works for film, television, video, and web, as well as helps individuals present their work to the industry through their annual Screenwriting Contest. CSN offers a script exchange, networking with film industry peers, a monthly speaker's program, and a sense of community to its members.
