I have two Chicago screenplays that I'm looking for a Chicago based production or agency to look at. I was born and raise in the city and really would appreciate someone there to pick up on.

Both scripts are available and ready to go. Any help from this group would be helpful.

EARLY WITHDRAWAL

Genre: Comedy

Logline:

A successful bank robber collides with a spoiled rich manipulator who steals his money and turns his life upside down. Now he's longer the toast of the town - he's just toast.

INCIDENTAL PURPOSE

BASED ON A TRUE CHICAGO STORY

LOGLINE:

They say dead men tell no tales, but after 30 years and 7 penitentiaries, Frankie can finally tell his story. Think the Departed meets Goodfellas.
