Helpful HollywoodChicago.com link added: 'Track new system content'

Submitted by HollywoodChicago.com [1] on February 2, 2008 - 5:07pm

- Web Site Feedback/Requests [2]

I've added a helpful HollywoodChicago.com link at the top of your user menu called "Track new system content [3]". The page lists all new content created on HollywoodChicago.com in all sections and is easy to see everything new created. You can also track all your recent content there when you're logged in.

‹ Friend HollywoodChicago.com on MySpace! [4] Data entry from HollywoodChicago.com 1.0 to 2.0 › [5]
