

Happy New Year

Submitted by Anonymous on December 11, 2011 - 7:48pm

- [General Discussion](#) [1]

If every house in your city sparkles with lights and garlands,
if visible from all sides rosy cheeks of Santa Claus - means soon the New Year.

Preparation for this festival always takes one day and felt in the Christmas mood among the masses since the beginning of December. And if
to the cherished date there are only a couple of weeks - it's time to think about a holiday in earnest.
