Come November, it is customary to give thanks for the bounties that have been bestowed upon us. And if you know Vaudezilla, you know that there are plenty of bounties to be thankful for! So join us all throughout November as we present our own cornucopia of anything-goes burlesque.

Nov 2, see queer performance artist Mister Junior mesmerize the audience with gender fluid performances – this hairy-chested heartthrob makes everyone a little weak in the knees!

On Nov 9, veteran burlesque superstar Trixie Sparx will headline the show with her energetic, sensual classic burlesque.

Nov 16, the B.A.M.F. of burlesque, queer performance artist Po'Chop will bring her trademark combination of classically trained dance and provocative might to the stage.

On Nov 23, we welcome back Anita Lilmore, known for her intense stage presence and imaginative acts that combine beautiful aesthetics and powerful dance technique.

On Nov 30, internationally renowned burlesque showgirl Red Hot Annie will tantalize with feather fans, blacklights, paint, and a shameless sensuality that could convince even the most prudish skeptic that burlesque is an art.
