

## Page Numbers and First and Last on Forum Thread

Submitted by [Dustin](#) [1] on July 3, 2008 - 10:20am

- [Web Site Feedback/Requests](#) [2]

Hello—

Can you add the “FIRST/LAST, NEXT/PREV, and page numbers” to the top of the forum comments so I don’t have to scroll to the bottom to get to the next or last page?

◁ [DONE! New HollywoodChicago.com feature: 'book' system for related pages within articles](#) [3] [Important HollywoodChicago.com free publicity notice: You can now easily post multiple events!](#) ▷ [4]
