I thought it was about time to say hello. Glad to be here! I've Been reading a lot of posts but am not so famaliar with how the boards operate just yet. If I dropped my helo line in the wrong part of the forum, I hope a mod will put it where it is supposed to go. I guess that since I read the posts on this page more often than not, it would be where I said hello to everyone for the first time. Well, thanks a lot and I hope to learn a lot more from someone of the already great information that I've found here.
