

IMPROVED! Events Filter

Submitted by [Dustin](#) [1] on January 9, 2008 - 1:49pm

How does the filter feature work on the events calendar? Is there anyway to tag events with either free or cost?

Also, is there anyway to enter one event for multiple days at the same time (i.e. Roadhouse plays at noon on Saturday and Sunday. all the information is the same except it's for two different days)?
