Here is the “She’s Out of My League” plot description:

In the comedy “She’s Out of My League,” Kirk (Jay Baruchel of “Knocked Up” and “Tropic Thunder”) is an average Joe who can’t believe his luck. Though he’s stuck in a seemingly dead-end job as an airport security agent, against all odds Molly (Alice Eve) – a successful and outrageously gorgeous babe – falls for him.

Kirk is stunned. So are his friends, his family and even his ex-girlfriend. Now he has to figure out how to make the relationship work even though he’d be the first to admit she’s totally out of his league.
