Here is "The Square" plot description:

A stylish, twist-filled film noir, "The Square" centers on an adulterous couple whose scheming leads to arson, blackmail and murder. "The Square" is the first feature film from Australian stuntman-turned-director Nash Edgerton and his brother, Joel, who co-wrote and stars in the film.

Escaping the monotony of a loveless marriage, Raymond Yale becomes entangled in an affair with the beautiful and troubled Carla. Ray's moral limits are tested when Carla presents him with the proceeds of her controlling husband's latest crime. This is their chance to take the money and run.

If only it were that simple. The seed is planted and Ray – fearing he will lose his love – engineers the plan. Hiring the professional arsonist Billy becomes a fatal error and the plan goes horribly wrong. Alarm bells sound and suspicions are raised, but miraculously, the dust looks to settle. Then the first blackmail note arrives.

The couple's nerves are tested as both Carla's husband and the mystery author threaten to throw open their secret. With the blackmailer's deadline approaching, they are going to find out just how far they are willing to go for love.
