Here is the "Hamlet" plot description:

David Tennant and Patrick Stewart star in this critically acclaimed production of William Shakespeare's masterpiece from Britain's renowned Royal Shakespeare Company. No recent stage production in Britain has attracted the excitement and nearly unanimous critical praise as this "Hamlet".

Tennant's interpretation was recognized as defining the role for a generation. Stewart's complex Claudius won the Olivier Award, which is Britain's highest stage honor. In this specially shot screen version, which was filmed on location rather than in the theater,

Tennant and Stewart reprise their roles. Dynamic, exciting and contemporary, it breathes new life into Shakespeare's greatest play.
