Aang (Noah Ringer)

Makes his Escape in The Last Airbender

CHICAGO – The ancient martial arts get a workout with M. Night Shyamalan’s live action version of the anime “The Last Airbender.” Featuring Dev Patel – the contestant in the Oscar-winning “Slumdog Millionaire” – and Aasif Mandvi of “The Daily Show,” Airbender uses special effects and action to tell its story.

The “Avatar,” a boy named Aang (Noah Ringer) is unearthed in the south water land in this fantasy version of earth. The sectors are divided by four elements – air, water, earth and fire. The Fire Nation wants earth dominance. Can the Avatar stop their aggressive war machines?
