CHICAGO – This 10-image slideshow contains all of the official press images for the highly anticipated “Predators,” starring Adrien Brody, Laurence Fishburne, Topher Grace, Alice Braga, and Walton Goggins. The film was written by Alex Litvak and Michael Finch, produced by Robert Rodriguez, and directed by Nimrod Antal. It will be released on July 9th, 2010.

Synopsis: “PREDATORS, a bold new chapter in the Predator universe, shot under the creative auspices of Robert Rodriguez, stars Adrien Brody as Royce, a mercenary who reluctantly leads a group of elite warriors who come to realize they’ve been brought together on an alien planet… as prey. With the notable exception of a disgraced physician, they are all cold-blooded killers - mercenaries, Yakuza, convicts, death squad members - human “predators” that are now being systemically hunted and eliminated by a new breed of alien Predators.”
