Here is the plot description for “Charlie St. Cloud”:

Based on an acclaimed novel, “Charlie St. Cloud” is a romantic drama starring Zac Efron as a young man who survives an accident that lets him see the world in a unique way. In this emotionally charged story, he begins a romantic journey in which he embraces the dark realities of the past while discovering the transformative power of love.

Accomplished sailor Charlie St. Cloud (Efron) has the adoration of mother Claire (Oscar winner Kim Basinger) and little brother Sam (newcomer Charlie Tahan) as well as a college scholarship that will lead him far from his sleepy Pacific Northwest hometown. But his bright future is cut short when a tragedy strikes and takes his dreams with it.

After his high-school classmate, Tess (Amanda Crew), returns home unexpectedly, Charlie grows torn between honoring a promise he made four years earlier and moving forward with newfound love. As he finds the courage to let go of the past for good, Charlie discovers the soul most worth saving is his own.
