CHICAGO – Terry O'Quinn, the strange and mysterious John Locke on the recently concluded TV series, "Lost," was found in this exclusive portrait by HollywoodChicago.com's ace photographer Joe Arce. O'Quinn was appearing at the Park West in Chicago for his brother Thomas's new film "Using."

Thomas Anthony Quinn is a professor of playwriting, acting and directing at Illinois Wesleyan University in Bloomington, Illinois. Terry O'Quinn brought his star power and several items from the Lost set for a silent auction that supports his brother's film, being shot in Chicago and downstate.
