Here is the synopsis to "I Spit on Your Grave: Unrated":

In the same spirit as the controversial 1978 cult-horror classic, the new "I Spit on Your Grave: Unrated" is an unflinching and

uncompromising remake about a female seeking revenge after being brutally attacked by a gang of men. It centers on a beautiful woman from the city (Jennifer Hills) who rents an isolated cabin in the country to write her latest novel.

Soon, a group of local lowlifes subject Jennifer to a nightmare of degradation, rape and violence. Left for dead, she returns for vengeance. Trapping her male attackers one by one, she inflicts acts of physical torment upon them with a ferocity that surpasses her own ordeal. When the carnage clears, victim has become victor.
