Here is the plot description for "Megamind":

Megamind is the most brilliant super villain the world has ever known – and the least successful. Over the years, he has tried to conquer Metro City in every imaginable way.

Each attempt is a colossal failure thanks to the caped superhero known as Metro Man until the day Megamind actually defeats him in

the throes of one of his botched evil plans. Suddenly, the fate of Metro City is threatened as chaos runs rampant. That leaves everyone to wonder: Can the world's biggest “mind” actually be the one to save the day? “Megamind” will be released in 3D, IMAX 3D and theatres on Nov. 5, 2010.
