Here is the plot description for "Death Race 2":

"Death Race 2" takes place in the very near future as the U.S. economy begins to decline and violent crime starts to spiral out of control. To contain the growing criminal population, a vast network of for-profit and private prisons springs up. This creates a lawless subculture ruled by gangs, cold-blooded killers and sociopaths.

The worst of these prisons is Terminal Island where inmates fight each other in a highly rated and televised death match. There are no rules and the winner is the one who survives the gladiator-style, no-holds-barred competition. Convicted cop killer Carl Lucas (Luke Goss) arrives on the island to serve his life sentence just as ruthlessly ambitious TV personality September Jones evolves the death match into the ultimate reality show, which is called "Death Race".

A brutal prison-yard demolition derby that pits prisoners against each other in steel-reinforced and heavily armed vehicles, the race to the death offers the winner the ultimate prize: freedom – if he can survive to enjoy it.
