Here is the plot synopsis for “No Strings Attached”:

In this comedy, Emma (Natalie Portman) and Adam (Ashton Kutcher) are lifelong friends who almost ruin everything by having sex one morning. In order to protect their friendship, they make a pact to keep their relationship strictly “no strings attached”.

“No strings” means no jealousy, no expectations, no fighting, no flowers and no baby voices. It means they can do whatever they want, whenever they want and in whatever public place they want so long as they don’t fall in love. But who’s going to fall first and can their friendship survive?
