CHICAGO – It premiered late in the season so it makes sense that the renewal of Dana Delany's drama “Body of Proof” also served as an echo to the major announcement [earlier today](#) [16] about ABC’s renewal of “Happy Endings” and cancellation of six other programs.

Once again, as [we predicted](#) [17], the ratings were just good enough on “Body of Proof” to give it a chance to find a bigger audience. One has to wonder if “Body of Proof” wasn’t right on the line and when “Brothers & Sisters” was canceled, it opened the door.

There are also rumors that ABC will announce TEN new programs on Tuesday at the official announcement of their fall schedule. Wow.

Stay tuned for all of the details and news as it breaks.
