Here is the plot description for "Scarface":

In the spring of 1980, the Mariel boatlift brought thousands of Cuban refugees to the sun-washed avenues of Miami in search of the American dream. From acclaimed director Brian De Palma, "Scarface" is the rags-to-riches story of Tony Montana (Al Pacino) who finds wealth, power and passion beyond his wildest dreams at a price he never imagined.

Tony Montana's meteoric rise, lavish life and soul-destroying fall anchor an epic film that inspired a worldwide following. Pacino is at his most memorable as Montana while blasting his way to the top of Miami's drug underworld in a bravura performance.
