Here is the synopsis for "Fright Night":

Senior Charley Brewster (Anton Yelchin) finally has it all. He's running with the cool kids and dating the hottest girl in high school (Imogen Poots). But all hell breaks loose when charming Jerry Dandrige (Colin Farrell) moves in next door.

While Charley thinks there's something odd about him, no one – including his mom (Toni Collette) – seems to notice. But after too many of his classmates vanish under bizarre circumstances, Charley comes to an unmistakable conclusion: Jerry is a vampire preying on his neighborhood.
