Here is the synopsis for "The Phantom of the Opera at the Royal Albert Hall":

Lurking beneath the glamour and spectacle of the Paris Opera House, the horribly disfigured Phantom – once a promising musician – now terrorizes the opera company.

Shamed by his physical appearance and feared by all, the Phantom is drawn to the beautiful ingénue Christine Daaé and begins

coaching her secretly as a tragic romance unfolds between the unlikely pair. This dazzling live restaging of the original production recreates the jaw-dropping scenery and breathtaking special effects of the original set to Andrew Lloyd Webber’s haunting score.
