If necessary: To see your entry count on a repeat visit, submit your name and e-mail again.

Here is the synopsis for “Savages”:

Three-time Oscar-winning filmmaker Oliver Stone returns to the screen with the ferocious thriller “Savages,” which features the all-star ensemble cast of Taylor Kitsch, Blake Lively, Aaron Johnson, John Travolta, Uma Thurman, Benicio Del Toro, Salma Hayek, Emile Hirsch and Demian Bichir. The film is based on Don Winslow’s best-selling crime novel that was named one of *The New York Times’* top 10 books of 2010.

Laguna Beach entrepreneurs Ben (Johnson) (a peaceful and charitable Buddhist) and his closest friend Chon (Kitsch) (a former Navy SEAL and ex-mercenary) run a lucrative, homegrown industry: raising some of the best marijuana ever developed. They also share a one-of-a-kind love with the extraordinary beauty Ophelia (Lively). Life is idyllic in their Southern California town until the Mexican Baja cartel decides to move in.

When the merciless Elena (Hayek) and her brutal enforcer Lado (Del Toro) underestimate the unbreakable bond among these three friends, Ben and Chon – with the reluctant, slippery assistance of a dirty DEA agent (Travolta) – wage a seemingly unwinnable war against the cartel. And so begins a series of increasingly vicious ploys and maneuvers in a high-stakes, savage battle of wills.
