Here is the synopsis for “Premium Rush”:

Dodging speeding cars, crazed cabbies and 8 million cranky pedestrians is all in a day’s work for Wilee (Joseph Gordon-Levitt): the best of New York’s agile and aggressive bicycle messengers.

It takes a special breed to ride the fixie: super lightweight, single-gear bikes with no brakes. Riders who are equal part skilled cyclists and nutcases risk becoming a smear on the pavement every time they head into traffic.

But a guy who’s used to putting his life on the line is about to get more than even he is used to when his last envelope of the day – a routine “premium rush” run – turns into a life-or-death chase through the streets of Manhattan.
