If necessary: To see your entry count on a repeat visit, submit your name and e-mail again.

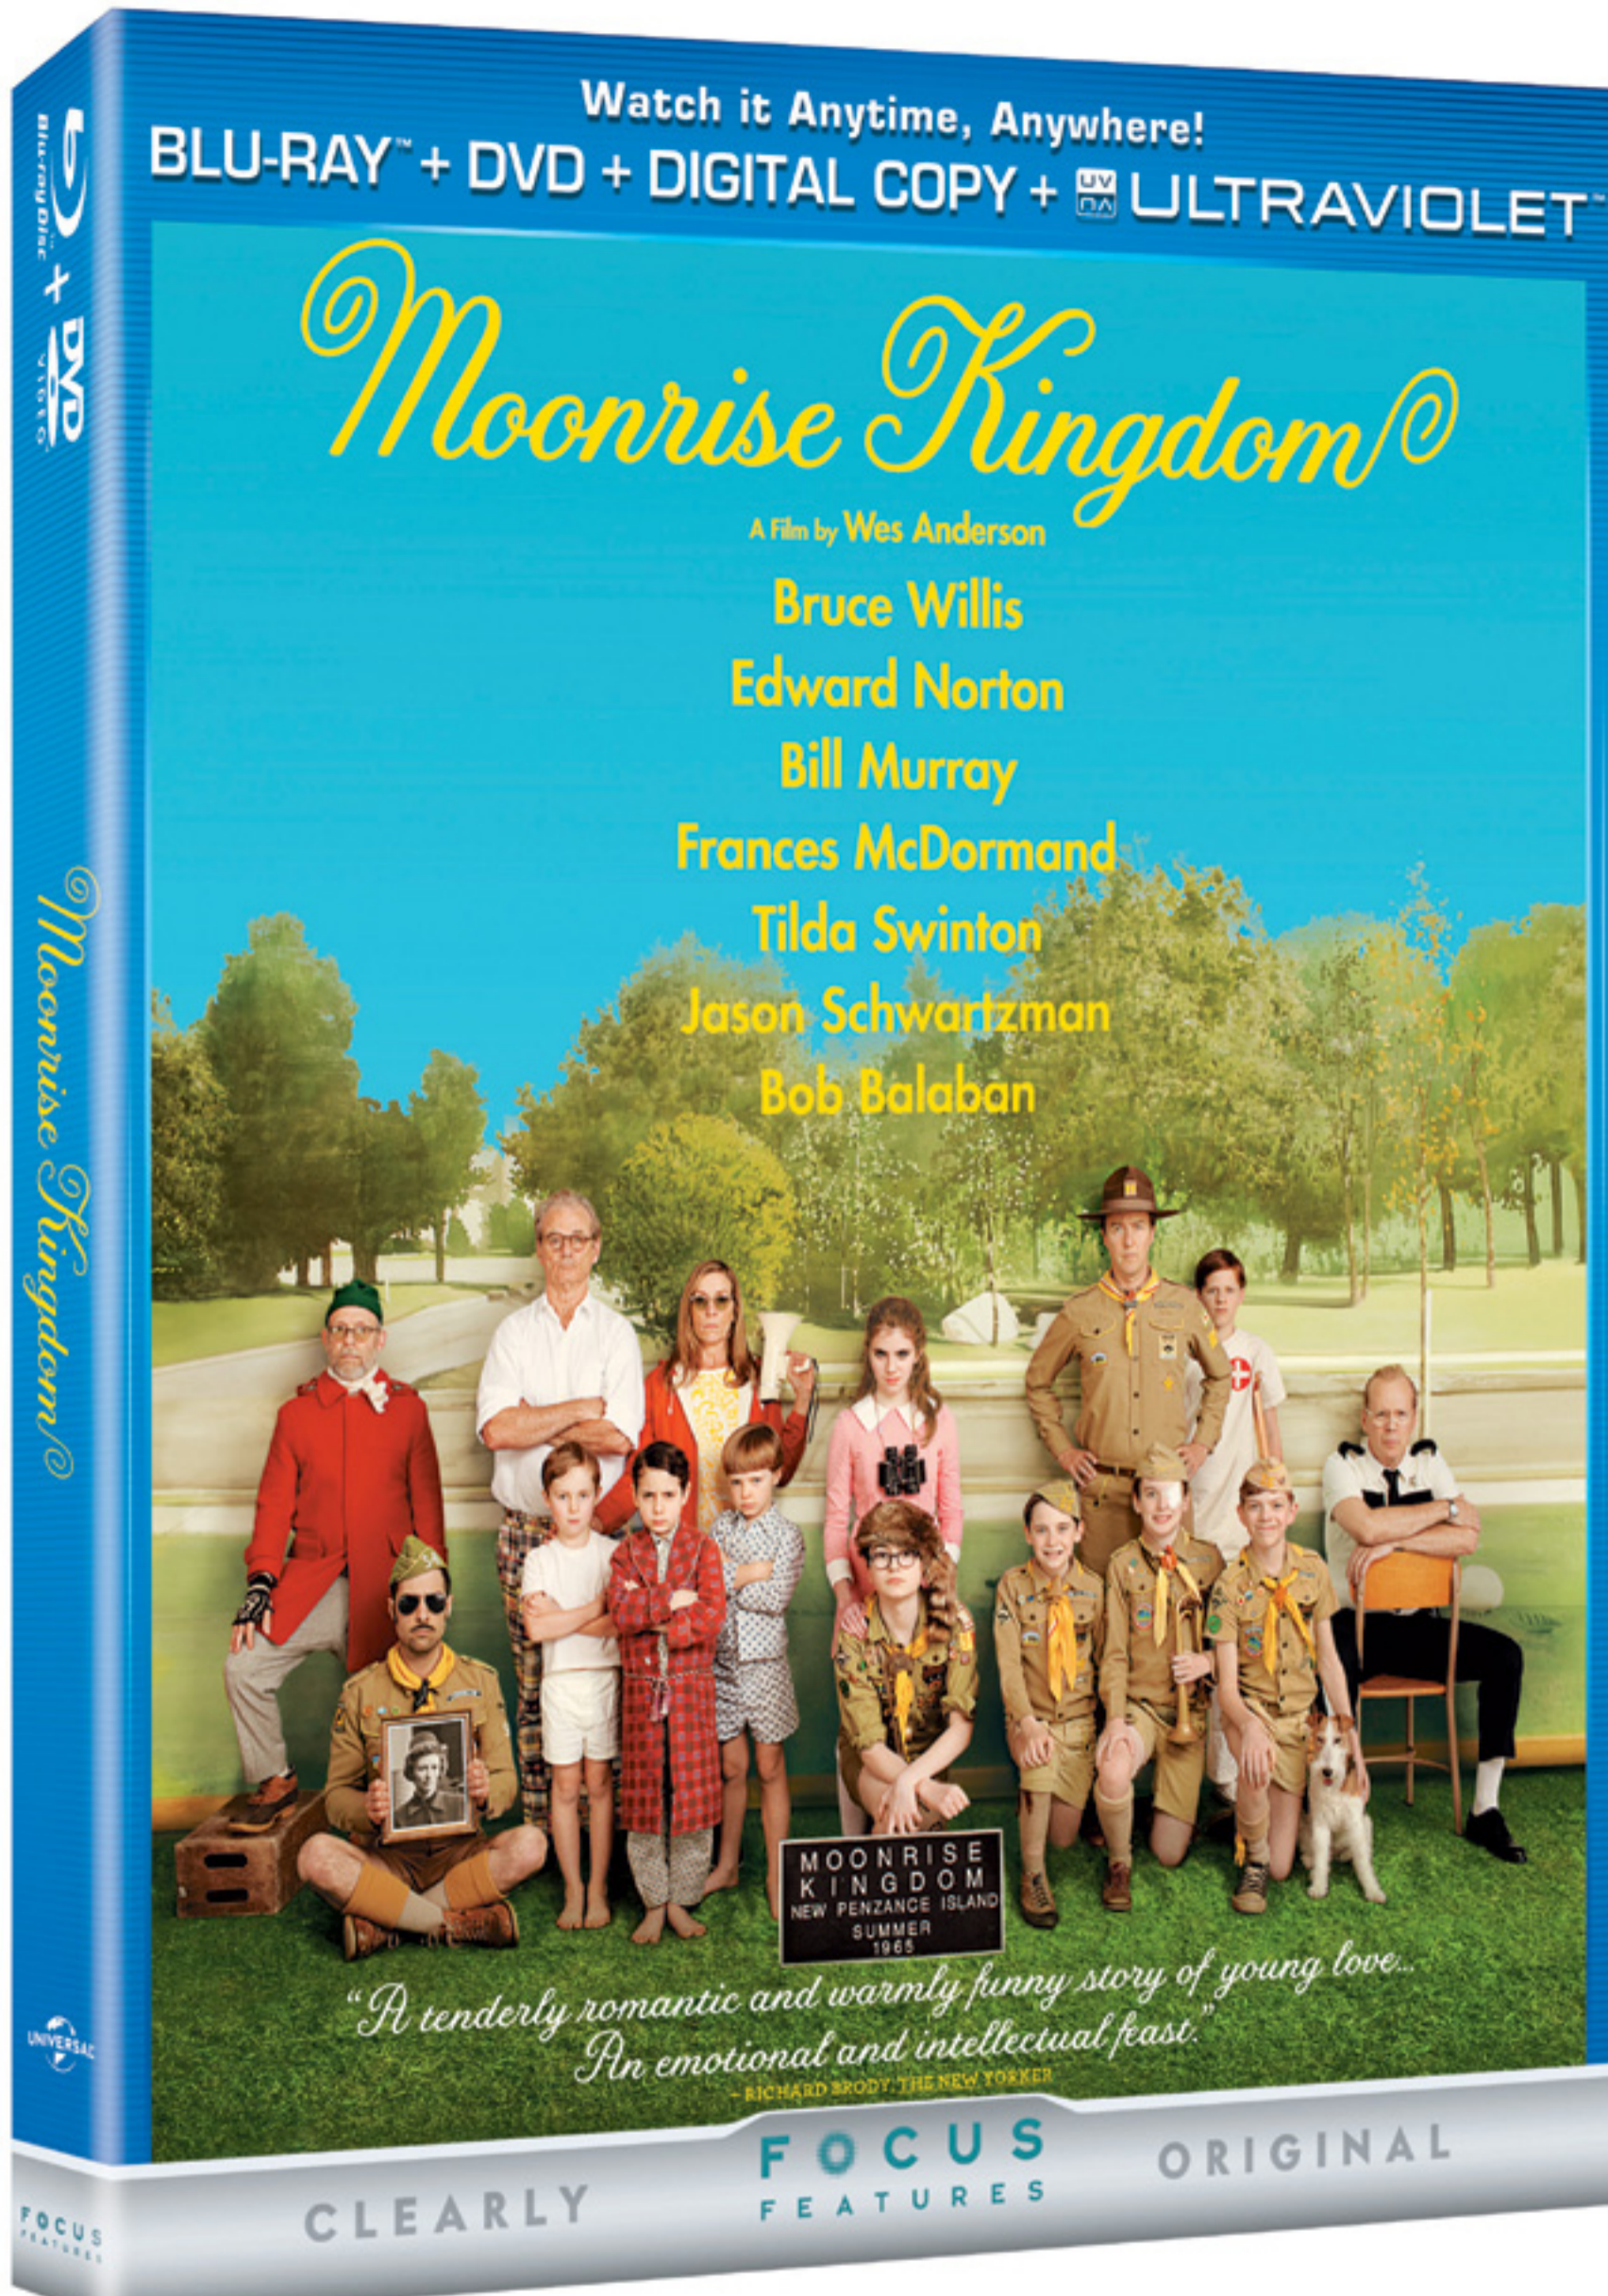

Note: You must enter your mailing address to win.

Here is the synopsis for "Moonrise Kingdom":

A star-studded and visually stunning box-office hit – and a tale of first love directed by two-time Academy Award-nominated filmmaker Wes Anderson ("The Royal Tenenbaums," "Fantastic Mr. Fox," "Rushmore") – Focus Features' "Moonrise Kingdom" is available on Blu-ray combo pack with UltraViolet, on DVD, on demand and on digital download on Oct. 16, 2012 from Universal Studios Home Entertainment.

Set on an island off the coast of New England in the summer of 1965, "Moonrise Kingdom" follows two 12-year-olds who fall in love, make a secret pact and run away together into the wilderness. As various authorities try to hunt them down, a violent storm begins to brew off-shore – and the peaceful island community is turned upside-down and changed forever.

Charming screen newcomers Jared Gilman and Kara Hayward star alongside Bruce Willis ("Die Hard"), Academy Award nominees Edward Norton ("American History X") and Bill Murray ("Lost in Translation"), Academy Award winners Frances McDormand ("Fargo") and Tilda Swinton ("Michael Clayton"), Jason Schwartzman ("Rushmore") and Bob Balaban ("Gosford Park"). "Moonrise Kingdom" is a movie that critics are calling "extraordinary from start to finish".

"Moonrise Kingdom" released on Blu-ray and DVD combo pack on Oct. 16, 2012.
