If necessary: To see your entry count on a repeat visit, submit your name and e-mail again.

Note: You must enter your mailing address to win.

Here is the synopsis for “Finding Nemo”:

Teeming with memorable comedic characters and heartfelt emotion, “Finding Nemo” is a stunning underwater adventure that follows the momentous journey of an overprotective clownfish named Marlin (voiced by Albert Brooks) and his young son, Nemo (Alexander Gould). They become separated in the Great Barrier Reef when Nemo is unexpectedly taken far from his ocean home to a fish tank in a dentist's office.

Buoyed by the companionship of Dory (voiced by Ellen DeGeneres) – a friendly but forgetful blue tang fish – Marlin embarks on a dangerous trek. He finds himself the unlikely hero of an epic effort to rescue his son, who hatches a few daring plans of his own to return safely home.

Directed by two-time Oscar winner Andrew Stanton and produced by Graham Walters with an Oscar-nominated screenplay by Andrew Stanton, Bob Peterson and David Reynolds, “Finding Nemo” also features the voices of Willem Dafoe, Brad Garrett and Allison Janney. Stanton serves as the unflappable sea turtle, Crush, and Peterson as the musical manta ray teacher, Mr. Ray.

"Finding Nemo" with Ellen DeGeneres came to Blu-ray and DVD on Dec. 4, 2012.
