CHICAGO – “Primer” director Shane Carruth gave an exclusive interview to Indie Outlook, the independent film blog and podcast created by Hollywood Chicago writer Matt Fagerholm, about his acclaimed Sundance prize-winner, “Upstream Color.” The film makes its Chicago premiere at the Music Box Theatre on Friday, April 12th, and Carruth will be present for the opening night double bill of “Primer” and “Upstream Color.”

Fagerholm will chat about the latest independent films on Vocalo radio’s The Morning AMp show on Friday, April 5th. One of the titles he’ll be highlighting is “The Place Beyond the Pines,” filmmaker Derek Cianfrance’s eagerly awaited follow-up to his shattering 2010 drama, “Blue Valentine.” It stars Ryan Gosling, Bradley Cooper and Dane DeHaan, and is set to open at the Landmark Century Centre Cinema that day. Hollywood Chicago will be publishing Fagerholm’s interview with Cianfrance next week.

Shane Carruth and Amy Seimetz star in Carruth’s Upstream Color.
