Here is the synopsis for “Paranoia”:

The high-stakes thriller “Paranoia” takes us deep behind the scenes of global success to a deadly world of greed and deception. The two most powerful tech billionaires in the world (Harrison Ford and Gary Oldman) are bitter rivals with a complicated past who will stop at nothing to destroy each other.

Seduced by unlimited wealth and power, a young superstar (Liam Hemsworth) falls between them and becomes trapped in the middle of the twists and turns of their life-and-death game of corporate espionage. By the time he realizes his life is in danger, he is in far too deep and knows too much for them to let him walk away.
