CHICAGO – Actress Jessica Alba has made her mark in Hollywood, known for her TV show “Dark Angel,” and films like “The Fantastic Four” and “Sin City.” She has expanded her versatility by penning her first book, “The Honest Life: Living Naturally and True to Yourself,” and was recently in the Chicago area promoting the best seller.

The book is an exploration into creating an eco-friendly and healthy lifestyle for herself and her family – Alba is married to Cash Warren and has two daughters. Alba broke onto the scene in 2000 with the TV series “Dark Angel,” which ran for two seasons. In movies, she played notable roles in “Sin City” and “The Fantastic Four” (both 2005), “Machete” (2010) and “Spy Kids 4” (2011).

Photographer Joe Arce of HollywoodChicago.com captured this Exclusive Portrait of Jessica Alba earlier this month during an appearance promoting her new book at Anderson’s Book Shop in Naperville, Ill.
