Here is the synopsis for “Men, Women & Children”:

“Men, Women & Children” follows the story of a group of high school teenagers and their parents as they attempt to navigate the many ways the Internet has changed their relationships, communication, self-image and their love lives.

The film attempts to stare down social issues such as video game culture, anorexia, infidelity, fame hunting and the proliferation of illicit material on the Internet. As each character and each relationship is tested, we are shown the variety of roads people choose – some tragic, some hopeful – as it becomes clear that no one is immune to this enormous social change that has come through our phones, tablets and computers.

NO-SHOW POLICY

HollywoodChicago.com works hard to coordinate our giveaways for you with the movie studios. If you enter to win and are fortunate enough to be awarded, we expect you to attend. If you reply saying you can’t attend – or don’t show up at all without notifying us – that opportunity goes to waste and another lucky HollywoodChicago.com winner misses out on enjoying what you would have. We use various forms of tracking technologies to know whether or not you attended. When you win and don’t attend, reputation points will be counted against you and you’ll win less frequently. If you enter to win, please make sure you can attend if you do win. Thank you.

DISCLAIMER

Winners must arrive early as seats are consumed on a first-come, first-served basis. Since showings are slightly overbooked to ensure a full house, winners are not guaranteed entrance and must arrive early. We recommend arriving at least 45 minutes before the showing’s scheduled start time.
