Here is the synopsis for “Focus”:

Nicky Spurgeon (Will Smith) is an extremely accomplished con man who takes an amateur con artist, Jess (Margot Robbie), under his wing.

Nicky and Jess become romantically involved, and with Nicky’s profession of being a liar and a cheater, he realizes that deception and love are things that don’t go together. They split, but see each other three years later – and things get messy.

### NO-SHOW POLICY

HollywoodChicago.com works hard to coordinate our giveaways for you with the movie studios. If you enter to win and are fortunate enough to

be awarded, we expect you to attend. If you reply saying you can't attend – or don't show up at all without notifying us – that opportunity goes to waste and another lucky HollywoodChicago.com winner misses out on enjoying what you would have. We use various forms of tracking technologies to know whether or not you attended. When you win and don't attend, reputation points will be counted against you and you'll win less frequently. If you enter to win, please make sure you can attend if you do win. Thank you.

**DISCLAIMER & TERMS OF ENTRY**

*Your entry in this Hookup warrants your understanding of and agreement with these terms.* HollywoodChicago.com winners must arrive early as seats are consumed on a first-come, first-served basis. Showings may be overbooked to ensure a full house, so winners are not guaranteed entry and must arrive early. We recommend arriving at least 60 minutes before the showing's scheduled start time. Make-goods issued by the studio or its publicists are not guaranteed if you are declined entry for any reason. Per the studio's discretion, phones and other recording devices may be required to be bagged and tagged for anti-piracy reasons during the screening. HollywoodChicago.com LLC is a promotional partner with the studio and its partners and does not assume any liability for this giveaway. HollywoodChicago.com is not responsible for errors or omissions entered in user submissions. Comments are closed in this Hookup.
