CHICAGO – The Windy City is now the go-to town for major theatrical previews. The latest stage musical – that will eventually head to Broadway – is “On Your Feet! The Story of Emilio and Gloria Estefan,” which chronicles one of the greatest Latin singers ever. It’s now playing at the Oriental Theatre through July 5th, 2015.

Following the tradition of other show-business-and-song musicals, “On Your Feet!” is a triumphant celebration of the music and memories of Emilio Estefan, and his chart-topping wife Gloria Estefan. Through the ups and downs of their career – including Gloria’s near-fatal tour bus accident in the 1990s – “On Your Feet!” delivers the familiar hit songs like “Rhythm is Gonna Get You,” “Conga” and “1-2-3,” plus a glimpse into the lives behind the biggest music crossover artist in popular song history.

HollywoodChicago.com covered the preview to the opening night, with appearances by Gloria Estefan, Emilio Estefan, the actors portraying them on the stage – Ana Villafaña and Josh Segarra – Tony Award winning director Jerry Mitchell and choreographer Sergio Trujillo. Photographer Joe Arce took photos of the cast and crew, plus publishes for the first time on HollywoodChicago.com an earlier Exclusive Portrait of Gloria Estefan, photographed in October of 2005.
