Here is the synopsis for “The Man from U.N.C.L.E.”:

A fresh take on the hugely popular 1960s television series, “The Man from U.N.C.L.E.” is set against the backdrop of the early 1960s at the height of the Cold War. The film centers on CIA agent Napoleon Solo (Henry Cavill) and KGB agent Illya Kuryakin (Armie Hammer).

Forced to put aside longstanding hostilities, the two team up on a joint mission to stop a mysterious international criminal organization that is bent on destabilizing the fragile balance of power through the proliferation of nuclear weapons and technology.

The duo’s only lead is the daughter of a vanished German scientist, who is the key to infiltrating the criminal organization. They must race against time to find him and prevent a worldwide catastrophe.

If you reply saying you can't attend – or don't show up at all without notifying us – that opportunity goes to waste and another lucky HollywoodChicago.com winner misses out on enjoying what you would have. We use various forms of tracking technologies to know whether or not you attended. When you win and don't attend, reputation points will be counted against you and you'll win less frequently. If you enter to win, please make sure you can attend if you do win. Thank you.
