Here is the synopsis for “Hardcore Henry”:

Strap in. “Hardcore Henry” is one of the most unflinchingly original wild rides to hit the big screen in a long time. You remember nothing. Mainly because you’ve just been brought back from the dead by your wife (Haley Bennett). She tells you that your name is Henry. Five minutes later, you are being shot at, your wife has been kidnapped and you should probably go get her back.

Who’s got her? His name’s Akan (Danila Kozlovsky). He’s a powerful warlord with an army of mercenaries and a plan for world domination.

You’re also in an unfamiliar city of Moscow and everyone wants you dead. Everyone except for a mysterious British fellow called Jimmy (Sharlto Copley). He may be on your side, but you aren’t sure. If you can survive the insanity and solve the mystery, you might just discover your purpose and the truth behind your identity. Good luck, Henry. You’re likely going to need it.

NO-SHOW POLICY

HollywoodChicago.com works hard to coordinate our giveaways for you with the movie studios. If you enter to win and are fortunate enough to

be awarded, we expect you to attend. If you reply saying you can't attend – or don't show up at all without notifying us – that opportunity goes to waste and another lucky HollywoodChicago.com winner misses out on enjoying what you would have. We use various forms of tracking technologies to know whether or not you attended. When you win and don't attend, reputation points will be counted against you and you'll win less frequently. If you enter to win, please make sure you can attend if you do win. Thank you.
