CHICAGO – The Most Valuable Player, in a film that is brimming with great performances, is Gillian Jacobs (“Community”) of “Don't Think Twice.” The Mike Birbiglia-directed film is in the midst of a run at Chicago's historic Music Box Theatre, and Jacobs will make an appearance on behalf of the film starting at 7:30pm on Tuesday, August 9th, 2016. Part backstage show business story, part understanding of creative (and other types of) partnering, “Don't Think Twice” blends the elements through the centerpiece of the improvisation stage – a particular kind of comedy presentation that relies on those stage partners and an individual's ability to make a quick decision. Sometimes – like in life – those partners have your back, or can just as quickly and suddenly leave you behind. This is Mike Birbiglia's second film, and it shows a progress and maturity as a director that is reaching true heights of comedy and the challenges of being human.
