Here is the synopsis for “The Bye Bye Man”:

People commit unthinkable acts every day. Time and again, we grapple to understand what drives a person to do such terrible things. But what if all of the questions we’re asking are wrong? What if the cause of all evil is not a matter of what, but who?

From the producer of “Oculus” and “The Strangers” comes “The Bye Bye Man”: a chilling horror/thriller that exposes the evil behind the most unspeakable acts committed by man. When three college friends stumble upon the horrific origins of the Bye Bye Man, they discover there is only one way to avoid his curse: don’t think it and don’t say it. But once the Bye Bye Man gets inside your head, he takes control. Is there a way to survive his possession?

Debuting on Friday, Jan. 13, 2017, this film redefines the horror that iconic date represents – stretching our comprehension of the terror this day holds beyond our wildest nightmares.
