The popular teen is taken by surprise with all her success.

CHICAGO – Maddie Ziegler is a shooting star right now, included in Time Magazine's "30 Most Influential Teens" in both 2015 and 2016. The dancer, model and actress first gained attention as a child on "Dance Moms" in 2011, and has ascended since then to social media and online fame, including her featured roles in five music videos by the pop artist Sia. She was in Naperville (Ill.) – in an appearance sponsored by Anderson's Book Shop – to promote her book "The Maddie Diaries: A Memoir," which has become a New York Times Bestseller. And if that wasn't enough, she will make her film debut this summer opposite Naomi Watts in "The Book of Henry."

HollywoodChicago.com photographer Joe Arce was at Maddie Ziegler's appearance on March 11th, 2017, where she met fans and autographed her book at the Naperville Marriott Hotel.
