City of the Weak at Beat Kitchen, 2 of 5

CHICAGO – City of the Weak captures a modern rock ‘n roll sound by combining catchy pop melodies with aggressive guitar riffs – and moving bass lines – to create a genre of their own. The band is best known for their intensity and passion on stage, as well as their fearless personalities off the stage. City of the Weak is a female fronted band and was formed in 2012. Their first full length album “Pulling Teeth” was released in June of 2017.
