CHICAGO – One of the great predictors of Oscar worthy films is Chicago's DOC 10 festival. The Chicago Media Project presents its fourth annual documentary fest, a weekend of 10 prominent documentaries that end up either making a national statement or nominated for awards (last year's fest included Oscar nominees "Minding the Gap" and "RBG"). It all takes place at the Davis Theatre in the Lincoln Square neighborhood from April 11th-14th, 2019, and opens with "Knock Down the House." For more information and tickets, [click here](#). [21]
