CHICAGO – Theater art is collaborative, and it’s often the design of a stage that sets the tone for the play that unfolds. The Curious Theatre Branch presents an original holiday play called “Xmas in Lost Pines,” opening Friday, December 6th, 2019 at the Prop Thtr (theatre) on Chicago’s Northwest side, with four performances through December 13th (all 8pm). Christine Marie is the set designer, creating the mood that writer/director Matt Rieger is expressing in the work. The play is followed by the “Grumpy Christmas Cabaret,” and all the information is available by [click here](#). [20]
