Clapboard for

‘Timmy Failure: Mistakes Were Made.’

CHICAGO – In a film that premiered at the Sundance Film Festival, and dropped on February 7th, 2020, at the relatively new Disney+ streaming service, “Timmy Failure: Mistakes Were Made,” already has proved its viability. The film is based on the youth fiction series by Stephan Pastis, who wrote the screenplay with director Tom McCarthy (“Spotlight”). The Unit Photographer was Dale Robinette, who sent some exclusive and promotional photos from the set.

Dale Robinette is a friend of this website, who began a correspondence with editor Patrick McDonald in 2013, sending his photos from the film “Lovelace.” He has plied his skills in the film business as a Unit Still Photographer since 1988, after a career as a stage and television actor in New York and Los Angeles. His photo resume includes familiar films like “Donnie Darko,” “Thank You for Smoking,” “Southland Tales,” “Red,” “W.,” “Up in the Air,” “The Help,” “Draft Day” and one of the most iconic movie images of the millennium, the Emma Stone/Ryan Gosling dance pose from “La La Land” in 2016 (for a profile of “how he got the shot,” [click here](#) [21]).

All photos in the Slideshow are Dale Robinette for © Disney+/Walt Disney Pictures. Used by permission.
