CHICAGO – The Chicago Comic & Entertainment Expo (C2E2) opens today (February 28th through March 1st, 2020). For three days, the best in the comic book, entertainment, TV and movie world will gather at the McCormick Place convention center on the near south side of Chicago, with epic cosplay on display.

To honor opening day, HollywoodChicago.com photographer Joe Arce reached into the archives of last year for a tribute to character voice artists, the unsung heroes of the cartoon and video game world who give pitch and tone to our favorites.
