CHICAGO – The 2020 Pride Weekend, which occurs every year around the June 28th anniversary date of the Stonewall Inn uprising, will be remembered not for the LGBTQ+ themed parades or observances, but the cancellation of those events due to COVID-19. But the celebration continues, as the film series “Reel Pride” reviews the documentary “After Stonewall.”

“Reel Pride” is co-hosted by Patrick McDonald of HollywoodChicago.com and arts reviewer Jeffrey Leibham of AroundtheTownChicago.com. The YouTube series reviews LGBTQ+ films through cinema history, to increase awareness of the passion for these cinematic stories within feature films and documentaries.
