CHICAGO – Patrick McDonald of HollywoodChicago.com appears on The Eddie Volkman Show on WSSR-FM (Star 96.7 Joliet, Illinois) on October 16th, 2020, reviewing a new Netflix Halloween release, "Our House," plus a preview of the produced-in-Chicago film "The Misadventures of Mistress Maneater."

Rating: **3.5/5.0**

"His House" involves a from-Africa couple (Sope Dirisu and Wunmi Mosaku) who escape from the war torn South Sudan, and is put up as refugees in public housing in London. They have brought their demons with them, however, and it starts to attack them – horror film style – from their tenement housing. Yes, this is a symbolic film, but it's also pretty creepy, as many images of voodoo and witchery are no doubt rooted in the mystery of Africa.

*"His House" is on Netflix beginning October 30th. Featuring Sope Dirisu, Wunmi Mosaku, Javier Botet and Matt Smith. Written by Felicity Evans, Toby Venables and Remi Weekes. Directed by Remi Weekes. Rated "TV-14" "The Misadventures of Mistress Maneater" premieres on Friday, October 30th on Amazon Prime Video, for rental or purchase. Featuring Lorissa Julianus, Mickey O'Sullivan, Shannon Brown, Molly Morgan, Cynda Williams and Bonnie Morgan. Written by Lorissa Julianus. Directed by C.J. Julianus. Not Rated.*
