CHICAGO – The 2021 Sundance Film Festival will be long remembered as the “virtual” version due to the pandemic, but there are always the real films, and the festival announced their competition honorees on February 2nd, in a virtual ceremony hosted by comedian Patton Oswalt.

After six days, 73 feature films and 50 Short Films, the Grand Jury Prizes were awarded to “Coda” (U.S. Dramatic) ... CODA is an acronym for Child of Deaf Adults, and highlights the character of Ruby. “Summer of Soul (...Or, When The Revolution Could Not Be Televised)” (U.S. Documentary) ... the “Black Woodstock” of Harlem in the same Summer of 1969. “Flee” (World Cinema Documentary) ... a child immigrant grows up to be a respected academic, but still harbors a secret. And “Hive” (World Cinema Dramatic) ... a woman has a husband missing in action during the Kosovo war – should she continue to support herself or wait?

The list of all award winners are below.

Grand Jury Prize

CODA
